Report

Went to the board room on a leisurely drive down to the hut on the Saturday. Gogarth on the Sunday with Pete and Richard at Rhoscolyn – sunny but extremely cold. Kate had a day around the hut with the kids. Monday Kate and Pete went to climb at Tremadog, it rained unfortunately, while on route. Unfortunately, Pete had an accident and couldn't climb for the rest of the day. Tuesday the Toon family went to Llanberis to the train by the lake and the slate museum, then spent more time at the hut! We drove back on the Wednesday and visited the Boardroom on the way home.
